

Matthew 14:1-12

page 988

What controls you?

- Herod wants to be free from God...
 - He rejects God’s messenger (v3,10)
- ...and is ruled by everything
 - He is controlled by his wife (v3-4)
 - He is controlled by lust (v6-7)
 - He is controlled by his reputation (v5,9)
- John is ruled by God, nothing else.

Discussion

- Looking at Herod, how do we see people reacting today in a similar way to the way he does?
- In what ways can we help each other to place God and His word at the centre of our lives?
